

# Equip Jaydip Lakhankiya's 12,000 km Malta-to-India walk.

The Climate Walker needs partners who solve real road challenges: shoes, load support, visas, power, documentation, safe rest, translation, cleanup supplies, and school or community access. Recognition only describes support that is genuinely provided and used.

## Sponsor Facts

### Mission distance

Approximately 12,000 km.

### Countries entered

4: Malta, Italy, Vatican City, San Marino.

### Planned countries

Around 20.

### Current public leg

Udine, Italy, delayed for safety.

### Coverage archive

Public references from Times of Malta, The Malta Independent, MaltaToday, Eurodesk, and others.

### Cleanup

140 garbage bags logged in the latest public update.

### Video library

Official route clips and interviews from Jaydip's own channels.

### Public city history

Rome, Venice, Padua, and Udine.

---

## Partner Tiers

### **Gear Partner**

Footwear, clothing, bags, carts, hydration, safety, and outdoor equipment used in real conditions.

### **Country Leg Partner**

Support one defined country or region through route logistics, local access, and recap content.

### **Cleanup Partner**

Support bags, gloves, grabbers, disposal, and local cleanup coordination.

### **Documentation Partner**

Support camera, audio, storage, power, mapping, telecom, or editing capacity.

### **Education / Community Partner**

Support school, university, NGO, youth, and community stops.

### **Presenting Partner**

Major aligned support across several legs, with broader sponsor recognition and coordination.

---

## Deliverables

- Approved logo/name placement on sponsor pages or deck materials.
- Product or support acknowledgement only where support is actually used.
- Country-leg recap notes when a partner supports a specific route section.
- Cleanup, school, or community recap content where events happen safely.
- Press-kit and media-room reference for major confirmed partners.
- No guaranteed reach, sales outcome, or tax benefit unless documented in a formal agreement.

---

## Case Studies

### Malta cleanup base

Public coverage reported roughly 800 kg of waste collected before the international leg began. [Read coverage.](#)

### Sicily to mainland Italy

The Malta Independent reported that Jaydip walked Sicily in 17 days before the required ferry to mainland Italy. [Read article.](#)

### Rome administration stop

Rome clips show the document and logistics work behind a long-distance walk. [Watch clip.](#)

### Pesaro cleanup clip

A road video from Pesaro connected a local cleanup moment to water use and everyday environmental choices. [Watch clip.](#)

---

## Ethical Partner Standards

- No greenwashing claims or unsupported environmental impact statements.
- Support must strengthen safety, education, cleanup, low-impact logistics, documentation, or local community access.
- Mission integrity takes priority over logo placement, scripts, or brand control.
- Products should be useful on the road or directly useful to cleanup, education, media, or local support.
- Public sponsor language must be factual, modest, and approved before publication.

---

## Legal Note

Support goes to The Climate Walker LLC and helps Jaydip Lakhankiya keep the walk, cleanup work, route logistics, and documentation moving. Contributions should not be treated as tax-deductible donations.
